Our small team wants to do something to make the world a little better, and that's why we want to give this year's gift to you. We'd like to give 10 lucky people all the tools and support they need to make a living off of their art, and we're giving it away this month. Reasons we feel this is the time to do this As of right now, the local average cost of living is \$139 / month (\$1,470 / year). Average monthly salaries for artists now fall just around the low \$1000s, for work that is often perceived as 'socially awkward'. With the advent of social media and Instagram, the barriers to creating a business have greatly reduced and people are flooding into the industry. If we believe that the time has arrived for a smooth transition to a more sustainable system in the artist/business dynamic, this is the perfect time. Requirements Winners must reside in the US or Canada, since all support and tools are located there. Winner must be an active artist, i.e. they must regularly post art on their own account. Winners must be active participants in their chosen communities. We want to make it fair, so if you've been posting on social media to promote a project, doing micro jobs, or traveling, you can still win. Winners must post a link to their blog, website, or social media account, with it so that we can contact the artist for a confirmation of their win. We will make contact via email, but if you don't receive it within 24 hours 1cb139a0ed
