You can use your credits to buy any car in the game and then unlock them all with credits. It is a sandbox simulator featuring almost all of the cars from the Need for Speed: Most Wanted video game series, with well-designed gameplay and cars, as well as unlocks and achievements, and an emphasis on realism. The player starts the game out with basic license and car. The player can upgrade to more powerful cars, and eventually the player earns their way up to a supercar. The player can race on any road type, including highways, mountain passes, mountain roads, and can race on any surface, including dirt, grass, and snow. Unlimited money. Endless Speedpoints Unlock the Black Market All Cars unlocked All Vehicles Purchased Need for Speed: Most Wanted . The game covers the highways of the fictional North American country of Velo – Land of Speed, where the player is put into various races in both the United States and Canada, each with a different set of challenges. There are six classes of races, including point to point, high-speed, freeway, mountain pass, street circuit, and rally events. Each race has a different set of rules. For example, there are several different classes of races, including point to point, high-speed, freeway, mountain pass, street circuit, and rally events.
